Request for Expressions of Interest

This request for expressions of interest by JFK Millennium Partners (“JMP”) is regarding Employee Security Screening Equipment for the Terminal 6 Redevelopment Project (“Project”), located at John F. Kennedy (“JFK”) International Airport in Queens, NY. This document serves as the first stage to JMP’s upcoming Request for Proposal (“RFP”). All parties interested in submitting proposals are encouraged to submit their expression of interest to JMP via the format and method outlined below. Parties that express interest will receive further instructions via BuildingConnected on how to proceed with the proposal process.

Project: JFK Terminal 6 (T6) Redevelopment

Procurement Name and Number: RFP-017

Brief Description of Work:

JMP is seeking expressions of interest for the design, supply, installation, and maintenance of a comprehensive employee screening checkpoint. The scope of work aims to establish a secure and efficient access control system, including the procurement of advanced screening equipment such as checkpoint property screening systems, walk-through metal detectors, and explosive detection equipment. Interested parties should be prepared to deliver a complete solution, from initial planning and design through installation, testing, personnel training, and ongoing maintenance support, with the employee screening equipment project phases scheduled to commence in January 2025.
