“ It is truly an honor to be part of this joint venture partnership. My mother, Project Manager Yolanda, and I are both thrilled and excited to be on this journey. As a proud Hispanic-owned business, I am deeply honored to be recognized during **Hispanic Heritage Month**. It is a privilege to represent our culture and heritage in this incredible opportunity, and we are grateful to contribute to such a meaningful project.

– JANISE HERNANDEZ-FRITH, PRESIDENT  
Sullivan-Hernandez Group Inc.
