

SCHEDULE

MARCH

- March 5** **Find Opportunities in the Building Trades: Construction Skills** **WORKFORCE**
 If you want to explore a position in the building trades, check out The Edward J. Malloy Initiative for Construction Skills (CSKILLS) to learn more about the technical assistance this organization can provide.
- March 12** **Find Opportunities in the Building Trades: Helmets to Hardhats** **WORKFORCE**
 Learn about Helmets to Hardhats – a nonprofit program that connects transitioning active-duty military service members, veterans, National Guard and Reservists with skilled training and quality career opportunities in the construction industry! The program is designed to help military service members successfully transition back into civilian life by offering them the means to secure a quality career in the construction industry.
- March 19** **Opportunity Friday Office Hours: Meet the T8 Team** **MWBE/LBE**
 Take this opportunity to meet one-on-one with the team managing the American Airlines JFK Terminal 8 Expansion. Different representatives will be on-hand to talk about upcoming opportunities, your pre-qualification status, the project labor agreement and any questions you have on the project.
- March 26** **Opportunity Friday Office Hours: Meet the Subs** **MWBE/LBE**
 This networking session will provide you with the opportunity to meet the subcontractors working on the American Airlines JFK Terminal 8 project. Utilize the exciting virtual portal to meet one-on-one with subcontractors to find the right sized contract for your company.

APRIL

- APRIL 2** **What You Need to Know About Cash Flow** **MWBE/LBE**
 Getting paid is the key to operating your construction company. How you manage cash flow projections will help you manage your projects and your business. This session will provide you with important advice and best practices for managing cash flow from accounting industry experts.
- APRIL 9** **Project Update – What’s New at JFK Terminal 8 Expansion** **MWBE/WORKFORCE**

2 | American Airlines JFK Terminal 8 - Get Ready to Work

Take this opportunity to check-in with the American Airlines JFK Terminal 8 Expansion team. Receive a project update, learn about new contract opportunities and how your firm can connect with American Airlines and Holt Construction.

- APRIL 16** **Find Opportunities in the Build Trades: Pathways 2 Apprenticeship (P2A)** **WORKFORCE**
P2A assists people from low-income communities to access union construction apprenticeships, which are pathways to safe, secure, middle class careers. We strive to serve justice involved individuals, residents of public housing, and the under-employed. P2A serves as a link between community organizations that assist these communities and the building trades industry.
- April 23** **Opportunity Friday Office Hours: Meet the T8 Team** **MWBE/LBE**
Take this opportunity to meet one-on-one with the team managing the American Airlines JFK Terminal 8 Expansion. Different representatives will be on-hand to talk about upcoming opportunities, your pre-qualification status, the project labor agreement and any questions you have on the project.
- APRIL 30** **Opportunity Friday Office Hours: Meet the Subs** **MWBE/LBE**
This networking session will provide you with the opportunity to meet the subcontractors working on the American Airlines JFK Terminal 8 project. Utilize the exciting virtual portal to meet one-on-one with subcontractors to find the right sized contract for your company.
